The **International Conference on eXtended Reality (XR Salento 2025)** provides a unique opportunity for researchers, professionals, engineers, and academics from various fields to exchange insights, share experiences, and present advancements in **eXtended Reality (XR)** and **Artificial Intelligence**.

Supported by the University of Salento, **XR Salento 2025** builds on the foundation of the International Conference on Augmented Reality, Virtual Reality and Computer Graphics (Salento AVR), which has been a significant gathering for the AR/VR community since 2014.

**XR Salento 2025** also offers an exclusive opportunity to showcase **innovative devices and applications** in the exhibition area. Additionally, companies can present their technological solutions during the "Company Session."
